Asia	Silicon Topology Co., Ltd				✓							<i>i</i> <i>i</i>

- FinFET layout expert dedicated in IC custom layout service
- Access TSMC leading node technologies information

Core Competences & Key Differentiators

Capability & Resource

- Specialized in FinFET technologies
- 215+ layout talent, 70% with FinFET experience

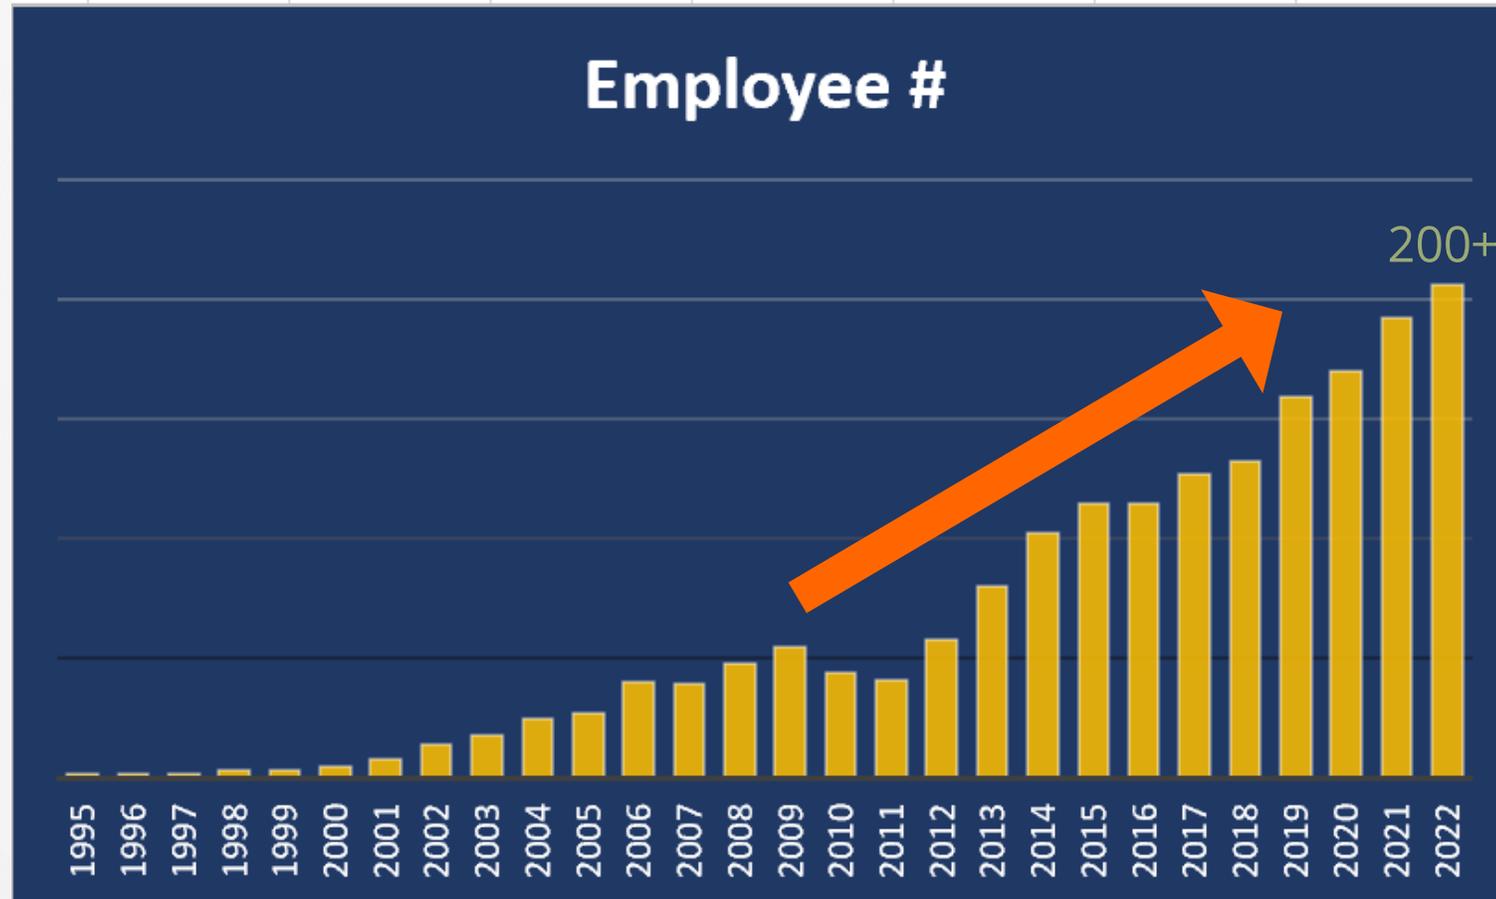

Proven Track Record

- Found in 1995 and focus on custom layout service
- TSMC long term service partner since 2005 & high repeated customers

Security & Quality

- TSMC certified IT security environment
- Robust project execution workflow

Steady Growing Talent Resources
